**Charges**

**Charge 1: Proposal 11-310: Internal Authority Self-Assessment using a National Program Standards Manual.**

Findings/Conclusions:

The Committee last met on July 28, 2022 and continued to develop Voluntary National Shellfish Regulatory Program Standards (VNSRPS) for the Growing Area Program Element. Draft Standards of for Standard 1 Regulatory Foundation and Authority and Standard 2 Training have been completed by the Committee. The Committee is will begin developing drafts for Standard 3 Growing Area Evaluation and Standard 4 Inspection Audit at its next meeting tentatively scheduled in May 2023.

Recommendations:

The Committee recommends that it continue to develop Voluntary National Shellfish Regulatory Program Standards (VNSRPS).
