Charges

Charge 1: • Proposal 13-301: Growing Area Classification Criteria.

Findings/Conclusions:

Work was done on this a number of years ago but was put on hold while the plant in-field criteria was developed. There is no update since the last conference.

Recommendations:

David Wiggins made a motion to recommend that proposal 17-204 be referred to the appropriate committee. Seconded by Kirk Wiles. **MOTION WAS APPROVED**
