

## **Washington State Recall**

### **December 12, 2024**

The ISSC has been notified of the following:

Washington State is in the process of conducting a recall of shellstock related to a Norovirus outbreak.

Shellstock (oysters and Manila clams) harvested from 11/15/2024 to 12/11/2024 by Rudy's Shellfish (WA-1590-SS) from Pickering Passage growing area in Washington is being recalled.

Washington State has received the distribution list from Rudy's, showing product was shipped within WA and to CA.

Please contact Dani Toepelt, at the WA State Department of Health,
