

## **Washington State Recall**

### **December 27, 2024**

The ISSC has been notified of the following:

Washington State is in the process of conducting a recall of shellstock related to a Norovirus outbreak.

Shellstock oysters harvested from 12/2/2024 to 12/17/2024 by Ruco's Shellfish (WA-1995-SS) from a small portion of Hammersley Inlet growing area in Washington are being recalled.

Washington State has received the distribution list from Ruco's, showing product was shipped within WA and to OR.
