<p>Proposal Subject</p>	<p>Harvester Training Requirements</p>
<p>Specific NSSP Guide Reference</p>	<p>Section II. Model Ordinance Chapter VIII. Control of Shellfish Harvesting and Chapter X. General Requirements for Dealers</p>
<p>Text of Proposal/ Requested Action</p>	<p>Chapter VIII. Requirements for Harvesters. .01 General.</p> <p>A. Each harvester shall have a valid license, and a special license if necessary, in his possession while engaged in shellstock harvesting activities.</p> <p>NOTE: The provisions in Section B. below will take effect January 1, 2014.</p> <p>B. Prior to licensing each harvester shall obtain Authority approved training every two (2) years at an interval to be determined by the Authority. The training shall include required harvest, handling, and transportation practices as determined by the Authority. A harvester shall be allowed ninety (90) days following initial licensing to obtain the required education.</p> <p>(1) A harvester shall obtain proof of completion of the required training. Proof of training obtained by the harvester within the past two (2) years shall be presented to the Authority prior to certification, recertification, or licensing.</p> <p>(2) At a minimum, one (1) individual involved in the shellfish operations shall obtain the required training.</p> <p>(3) The harvester shall maintain record of the completed training.</p> <p>C. Persons who are working in a boat crew under the supervision of a licensed harvester need not have a valid harvester's license.</p> <p>D. In the case of riparian or leased land, unless the riparian owner or lessee employs a licensed harvester, the riparian owner or lessee shall be licensed as a harvester prior to harvesting his shellstock. A licensed riparian owner or lessee may employ unlicensed harvesters to work his property or lease.</p> <p>Chapter X. General Requirements for Dealers .04 Certification Requirements.</p> <p>A. General.</p> <p>(1) No person shall act as a dealer prior to obtaining certification.</p> <p>(2) Any person who wants to be a dealer shall:</p> <p>(a) Make application to the Authority for certification;</p> <p>(b) Have and implement a HACCP Plan, and have a program</p>

	<p>of sanitation monitoring and record keeping in compliance with 21 CFR 123 as it appears in the <i>Federal Register</i> of December 18, 1995, except for the requirement for harvester identification on a dealer's tag.</p> <p>NOTE: Requirement (c) below effective January 1, 2014.</p> <p>(c) Obtain Authority approved training <u>at an interval to be determined by the Authority.</u> every two (2) years. The training shall include required processing, handling, and transportation practices as determined by the Authority. A dealer shall be allowed ninety (90) days following initial licensing to obtain the required education.</p> <p>(i) A dealer shall receive proof of completion of the required training. Proof of training obtained by the dealer within the past two (2) years shall be presented to the Authority prior to certification, recertification, or licensing.</p> <p>(ii) At a minimum, one (1) individual involved in the shellfish operations shall obtain the required training.</p> <p>(iii) The dealer shall maintain the record of the completed training.</p> <p>(3) Each dealer shall have a business address at which inspections of facilities, activities, or equipment can be conducted.</p>
