Proposal Subject	Name of Organization	
Specific NSSP Guide Reference	ISSC Constitution Bylaws and Procedure Article I. Organization	
Text of Proposal/ Requested Action	<p>ARTICLE I. ORGANIZATION</p> <p>Section 1. The name of the organization shall be the "Interstate Shellfish Sanitation Conference <u>Safety Congress</u>", hereinafter referred to as the Conference.</p> <p>Section 2. The Conference <u>Congress</u> shall be directed by and shall be under the control of the various states, federal agencies and shellfish industry that join together to form the Conference <u>Congress</u>.</p> <p>The word "Conference" shall be changed to "Congress" throughout the ISSC Constitution Bylaws and Procedures</p>	
Public Health Significance	The present name is misleading regarding the primary function of SSC which is to establish guidelines to foster and improve the sanitation of shellfish in the United States. The change would more clearly define the organization as a deliberative body and would encourage more participation by stakeholders.
