

<b>Resolution Subject</b>	Miles Motes Memorial Resolution
<b>Text of Resolution</b>	<p><i>Whereas</i>, Miles Lafayette Motes, Jr. was born in Sylacauga, Alabama on November 20<sup>th</sup>, 1950 and passed away on June 3<sup>rd</sup>, 2009; and</p> <p><i>Whereas</i>, Miles graduated from Auburn University August 24<sup>th</sup>, 1973, with a Bachelor of Science in Marine Biology and went on to receive his Master of Science in Fisheries Biology; and</p> <p><i>Whereas</i>, Miles was an avid Auburn fan until the day he passed away, just like his father Miles L. Motes, Sr. and mother Eva P. Motes; and</p> <p><i>Whereas</i>, Miles had four siblings who are also Auburn fans, Margaret Mugg, Julian Motes, David Motes, Carol Headley, and also his wife of three years Lisa B. Motes; and</p> <p><i>Whereas</i>, Miles spent twenty years as a research biologist at the FDA Gulf Coast Seafood Laboratory in Dauphin Island, Alabama and twelve years as an FDA Southeast Region Shellfish Specialist. He retired from the FDA in January 2008; and</p> <p><i>Whereas</i>, Miles had numerous peer reviewed publications relating to <i>Vibrios</i> and molluscan shellfish which significantly contributed to our current understanding and mitigation of <i>Vibrio</i> illnesses in the United States; and</p> <p><i>Whereas</i>, Miles read his daily devotional every day and was a spiritual beacon to his community and colleagues; and</p> <p><i>Whereas</i>, Miles loved the outdoors, running, the mountains, fishing, turkey hunting and had mastered an expert turkey call; and</p> <p><i>Whereas</i>, Miles was a very good man with a big heart and a great sense of humor who imparted a lasting warm impression on everyone he met and worked with.</p> <p><i>Be It Therefore Resolved</i> that the Interstate Shellfish Sanitation Conference formally recognizes Miles Motes' dedication to advancing public health standards for consumers of shellfish and his contributions to the National Shellfish Sanitation Program.</p> <p><i>Be It Therefore Further Resolved</i> that the Executive Board, Executive Committee, Office Staff and Membership of the Interstate Shellfish Sanitation Conference wish to extend their deepest sympathies and condolences to Mile's wife and family.</p>
