

MEMORANDUM

TO: Vibrio Research Committee Members

FROM: Ken B. Moore, Executive Director *Ken B. Moore*

DATE: March 31, 2016

RE: 2016-2017 Vibrio Research Committee Charges

This memorandum is to confirm your appointment by the Conference Executive Board Chairman to the Vibrio Research Committee. Lori Howell will serve as Committee Chairperson.

The ISSC has approximately \$68,000 available for vibrio research for 2016. The Vibrio Research Committee developed an Request for Proposal in 2014 for awarding funds available at that time. The Committee is requested to review the reports from the funded studies and develop a 2016 RFP. The Committee will also participate in the selection of studies to be funded.

The activities of this Committee will involve review of reports and will require some investment of time. If you are unable to participate in the activities of this Committee, please contact us at 803-788-7559 or issc@issc.org no later than April 7, 2016. Thank you for your interest and support of the ISSC and we look forward to working with you. Your Committee Chairperson will be contacting you soon.
