Chad Ballard

Mike Marshall

Robin Brown

Christina Grant

Jenifer Yeadon

Chris Nelson

Shawn Nelson

Raymond Burditt
(FDA Delegate)

Marshall Kinsey
(FDA Advisor)

Chris Schillaci
(NOAA)

Charges

Charge 1: Proposal 19-222: Shellstock Identification.

Findings/Conclusions: As presented, Proposal 19-222 would cause significant issues with traceback of product. The Committee was unable to resolve the issues with this proposal and the NSSP Guide adequately addresses the issue.

Recommendations: The Committee recommends Task Force II take 'No Action' on Proposal 19-222 as it is adequately addressed in the NSSP Guide.
