

## **Rhode Island Recall Notice**

**October 9, 2026**

The Rhode Island Department of Health (RIDOH) is advising that Rhode Island Seafood Company (Certification Number RI 535 SS) located in Warren, RI has initiated a recall of clams that were harvested on September 22, 2026, from Harvest Area 1A when a rainfall closure was in effect. Records obtained from Rhode Island Seafood Company indicate that all affected products were sent to Tony's Seafood in Warren, RI.

A secondary recall from Tony's Seafood (Certification Number RI 397 SP) is being conducted to recall all clams that were harvested on September 22, 2026, from Harvest Area 1A. Tony's Seafood is notifying its customers and working to remove this product from commerce. Product was shipped interstate to MA and CT. No illnesses have been reported in association with this recall. As more information becomes available, updates will be provided. Please contact RIDOH, Center for Food Protection, at 401-222-2749, if you have any questions or require further information.
