

SHELLFISH RECALL ALERT NOTICE

DATE ISSUED: 6/15/2026

ISSUED BY: State of Maine

AFFECTED PRODUCT: Live Shellstock Mussels (Lot 6/10/26 PEN FI)

AFFECTED STATES: Massachusetts, Rhode Island, New York, Georgia and Maine (5)

ALERT - IMMEDIATE ACTION IS REQUIRED

This is a Recall Alert Notice from the State of Maine. The State of Maine is supporting a recall of shellstock mussels due to a biotoxin/PSP score of 101 ug/100g associated with aquaculture lease site PEN FI in the Islesboro, Maine harvest area. Islesboro Marine (ME 10806 SS) has contacted their customers who received 10-pound and 5-pound bags of live shellstock mussels identified with **Lot 6/10/26 PEN FI** and instructed them to follow their recall protocols. While this is a voluntary recall, immediate action is required.

Receiving State IMMEDIATE Actions

The identified states above are documented to have received affected recalled shellfish with Lot 6/10/26 PEN FI. Receiving states must take the following immediate actions:

***Please note that as of June 12, 2026 at 10pm all units had been accounted for and were either consumed or ordered destroyed.**

1. Verify companies in your state have received a recall notice from Islesboro Marine.
2. Verify companies in your state have ceased sale, service, and distribution of the affected product.
3. Verify disposal of all affected product (containers or prepped for service) which remain in inventory.
4. Verify downstream customers who may have received affected product have been alerted.
5. Report recall updates to the producing Authority (Maine).
